PROFILE

ATA-certified English → Russian translator, linguistic consultant, and university professor. Native Russian speaker living and working in the US since 1992. Combines two decades of professional translation in medical, life sciences, healthcare, and education domains with hands-on linguistic consulting: machine-translation evaluation and benchmarking, custom NMT and LLM workflows, and data-driven translation analytics.

EDUCATION

PhD (Philosophy of Science)
University of Notre Dame, Indiana, USA
1998

MS (Physics)
Moscow Institute of Physics and Technology, Russia
1983

LINGUISTIC CONSULTING

Translation Analytics & Benchmarking
Ongoing

- Design and run automatic and human evaluations of MT and LLM systems for professional translation workflows
- Statistical quality analysis: score distributions, correlations, and confidence intervals (Excel, Python)
- Author and invited speaker on translation evaluation tools for freelance translators (Slator, AMTA, MT Summit, EAMT)
